

STAFF COACH PROFILE

Name: Atle Koellmel

Hometown: Pitt Meadows

Current ASA Position: '08 Boys Prospects + '03 Boys Hurricane

Highest coaching license held: Soccer for Life

Highest level played: University (U-Sports)

Brief soccer bio:

Atle grew up playing locally in his hometown for Pitt Meadows Soccer Club. He soon moved into the Metro Select League when he became of age for North Fraser Selects. After playing a year for Port Moody, Atle played his final few years of youth in the BC Soccer Premier League for Coquitlam Metro Ford SC. During his final months in his youth career, he was scouted and recruited by the University of the Fraser Valley where he currently plays.

Coaching Philosophy:

One of the most important aspects of the game is team structure. To be a top team, you must be very hard to break down. This means every single player on the team must be dialed in and aware of what their role is on the field. If each player works together as one, good things will happen. It's very hard to win games when you concede 3 goals in a game.

Favorite professional team: Arsenal
