

MORE KICKS

MORE SAVES

Dear Abbotsford Soccer Association Members,

Excitement is in the air as we kick off the **More Kicks, More Saves** initiative! At Abbotsford Soccer Association, we believe in enhancing the soccer experience for our members and fostering a community spirit that goes beyond the field. We are thrilled to introduce this unique program that rewards your passion for the game while saving you money.

Do you and your child participate in several ASA initiatives throughout the year? If so, this is for you...

How it Works: More Kicks, More Saves!

Starting from the 2024 Fall season, we are offering a chance for your additional participation to be recognized and rewarded. By taking part in additional programming, outside of your regular fall team or in-house program, or volunteering for club events, you will earn valuable points that can be exchanged for fantastic discounts on your 2025 Fall registration fees.

It's our way of saying *thank you* for your dedication and commitment to your personal development at ASA. (i.e. participate in identified programming and initiatives through Fall 2024 and Winter/Spring/Summer 2025 to earn a discount on your 2025/26 Fall registration fees).

Exemptions

Due to differing seasons and registration periods, BC SPL players are except from this promotion.

Key Features of the More Kicks, More Saves Initiative:

Earn Points for Every Extra Program:

Participate in additional training sessions, camps, or community events to accumulate points. The more you engage, the more points you earn, unlocking exciting savings!

Redeem Points for Discounts:

Exchange your earned points for discounts on the following season's Fall registration fees. Enjoy substantial savings while continuing to be an active part of the ASA community.

Diverse Program Offerings:

Explore a range of specifically curated programs designed to enhance your soccer skills, fitness, and community involvement.
